

What is KACE

Since 1972, Kansas Adult Care Executives Association (KACE) has been the only professional Association dedicated to serving the unique needs of the Adult Care Home Executive. KACE is the Association that examines the issues and challenges of the long-term care industry from the Administrator's perspective. KACE is dedicated to providing the education, information and networking opportunities needed to stay ahead in a rapidly changing field.

- To offer quality education programs for Administrators designed to meet the ever-changing challenges of long-term care.
- To encourage and promote the development of professional standards for adult care home executives.
